JUNE 8-12, 2019 • CONVENTION PROGRAM • ATLANTA, GA

50TH ANNIVERSARY

AWHONN CONVENTION 2019

awhonnconvention.org/atlanta
The Umbili-KIT System was designed to reduce or eliminate clinical care procedural errors, discharge mistakes and incorrect identification resulting in the discharge of infants to the wrong families.

The system provides essential, built-in redundancy through the use of a matching numbered sterile umbilical cord clamp, numbered identification band, optional numbered stick-on labels, and identification cards.
PRESIDENT’S WELCOME LETTER

Welcome to Atlanta and AWHONN’s 50th anniversary! I hope you all will join me in celebration at our Glitz and Glamour President’s Party, Monday, June 10, 8:00 – 10:30 pm at the Omni Hotel.

This is a special year for AWHONN and for all of you who helped make AWHONN the organization it is today, and who continue to shape our future.

Over the next several days, look for many of AWHONN’s past presidents wearing gold sashes. We are so fortunate to have them here with us and I thank them for their service.

These leaders exemplify the theme of my opening speech, “Ask Why, Dream Big, and Step Up.” You have an opportunity during this Convention to reflect on those values and consider how you can incorporate them into your practice and your life.

We have lined up speakers and educators who are the best in their fields. Soak up what they have to offer and make it your own. While we celebrate and honor our last 50 years, we are also facing forward in anticipation of the future. It is nurses like you who will lift us up and shine the light on the important issues we face in patient safety.

We are the future of AWHONN.

Cheryl Roth, PhD, WHNP-BC, RNC-OB, RNFA
2019 President, AWHONN Board of Directors

AWHONN INCLUSION STATEMENT

AWHONN is an equal opportunity volunteer organization and employer committed to the aims and principles of the broadest forms of diversity and inclusion. It is our desire to foster an environment that supports participation, leadership, advocacy, professional development, and research from varied perspectives and life experiences.

We celebrate and applaud diversity in every aspect of our work and organization. As the hallmark yearly event of our organization, the AWHONN convention aims to protect, promote and celebrate diversity and inclusion in all aspects. Therefore, speech and actions that create an unsafe space for attendees at AWHONN conferences or other public forums including AWHONN sponsored social media shall not be permitted.

This includes, but is not limited to, derogatory language or personal attacks on the basis of race, sex, sexual orientation, gender identity/ expression, religion, age, ethnicity, ability, citizenship, familial obligations, marital status, national origin or ancestry, socio-economic background, or veteran status. Any concerns should be reported to:

Suzanne Berry, MBA, CAE
Chief Executive Officer
202-261-2431
sberry@awhonn.org

NEW THIS YEAR AT CONVENTION

• Ultrasound Course offered as a pre-convention program
• More poster presentations and categorized by topical areas
• Volunteer Leadership Development Conference
• Committee meetings
• Product Demonstration area in the Expo Hall
• “State of AWHONN” presentation by President Cheryl Roth
• Meet the Candidates session prior to the Monday General session from 7:45 am – 8:30 am in the Thomas Murphy Ballroom

#AWHONN2019
awhonnconvention.org/atlanta
CONVENTION GOAL AND OBJECTIVES

The goal of the 2019 Convention is to celebrate commitment to innovation and excellence.

At conclusion of the convention, learners will be able to:

1. Nurture an environment that supports the contributions of nurses
2. Explore strategies to drive change
3. Foster connections to improve outcomes

Public Policy Committee Meeting
12 pm – 1 pm | Georgia World Congress Center A409

2020 Program Committee Meeting
12 pm – 1 pm | Georgia World Congress Center A402

Finance Committee Meeting
12 pm – 1 pm | Omni Hotel - North Tower Willow Boardroom

TUESDAY, JUNE 11

Past President's Luncheon
12 pm – 1:30 pm | Georgia World Congress Center A402

Volunteer Leadership Development Conference
(By Invitation only)
Sunday, June 9, 7 am – 11 am | Omni Hotel - North Tower Grand Ballroom

This breakfast and training session is intended for current Section and Chapter volunteer leaders for opportunities to learn, engage and dialogue around the following topics:
- Creating a continuous culture of volunteer recruitment, engagement and succession planning
- Evaluating progress on your section and/or chapter goals and determining course adjustments to end the year strong
- Hear about recent successful Section and Chapter programs that could give your volunteers some new approaches and ideas.

NOTE: This meeting is invite-only open to current section and chapter leaders.

Volunteer Leadership Lunch: Leading Boldly Over 50 Years (By invitation only)
Sunday, June 9, 11:15 am – 12:30 pm | Omni Hotel - North Tower Grand Ballroom

This leadership-themed lunch session is open to all current AWHONN volunteer leaders including the national board, national committee and task force members, past board presidents, Emerging Leader Recipients, and Section/Chapter leaders. Leaders will have the opportunity to celebrate AWHONN’s vibrant volunteer leader community and hear from the President of the Board about exciting AWHONN successes. There will be a leadership panel to discuss important initiatives from national committees and discuss their personal pathway from member to local AWHONN leader to national AWHONN volunteer service.
GENERAL CONVENTION INFORMATION

NAME BADGES & RIBBONS
Your name badge is your pass into all the sessions and events at the AWHONN Annual Convention, so please wear it during all Convention activities. It’s also your electronic business card— the barcode is encoded with contact information (excluding your email, unless permission was granted) from your registration.

Ribbons indicate an attendee’s position with AWHONN or function during the Convention, and some are just for fun! Pick up ribbons at the Ribbon Booth, located in the Georgia World Congress Center on the A3 level.

ON-SITE SESSION CHANGES & ADDITIONS
Changed your mind about which sessions to attend? That’s okay. If you want to add a pre-convention workshop, go to the Registration Desk for help. We’re happy to have you join where space permits. You can change sessions that don’t require pre-registration yourself; correct your CNE records online to reflect the actual sessions attended.

SESSION LOCATIONS
 Occasionally, session locations have to be changed at the last minute. You can get updates from the registration desk, the convention app, or Twitter @awhonn.

PHOTOGRAPHY & VIDEOGRAPHY
Attendance at or participation in the AWHONN Convention and Expo constitutes an agreement by the participant to AWHONN’s use and distribution (both now and in the future) of the participant’s image or likeness thereof in any promotional/marketing materials.

EMERGENCY CONTACT INFO
Dial 4911 from any red house phone or call 404-223-4911. This dispatches the Georgia World Congress Center’s internal public safety department. They have direct access to fire and EMT personnel.

SHUTTLE SERVICE
See signage at participating hotels, Georgia World Congress Center and Convention app for details.

GUESTS, INFANTS & CHILDREN
Guests may register for the 2019 Convention for a fee of $95, which includes admission to the Expo Hall, Opening Reception and President’s Party. Infants are welcome in educational sessions as long as they are not disruptive. If attempts to quiet your infant are unsuccessful, please leave the session and return when the infant is settled. Children under the age of 16 (including infants) and animals, with the exception of service animals, will not be permitted in the Expo Hall. This AWHONN policy will be strictly enforced due to insurance regulations and requirements.

LOST & FOUND
Lost and found items can be claimed at the Host Committee Desk located in the Sydney Marcus Auditorium Foyer.

LACTATION LOUNGE
The lactation lounge is located in room A310. Pick up the key at the Registration Desk.

FETAL HEART MONITORING INSTRUCTORS RECEPTION
Hear your colleagues’ stories!

**Monday, June 10**
5:45 pm - 6:45 pm
Omni Hotel, North Tower, International Ballroom ABC

The Fetal Heart Monitoring (FHM) Reception is for FHM Instructors to reconnect and meet new Instructors.
INTRODUCING THE
EVACU B™
BABY EVACUATION SYSTEM

The EVACU B is a revolutionary product for the safe evacuation of newborns. There is no other device like the EVACU B in the world.

REVERSIBLE HAND BRAKES
If a nurse needs to stop on the stairs, releasing the Reversible Brake Handle will automatically stop the chair on the stairs.

OXYGEN PROVISION
The EVACU B can supply O² to the six infants with our six way splitter with individual LPM volume control.

HEADRESTS AND SAFE MATERIALS
The newborns are placed in pockets made of a fire retardant and mildew resistant material. Their heads are then secured in adjustable headrests made from hypoallergenic high density foam.

TRACK GLIDER
The EVACU B can provide one nurse with the capability of evacuating six babies and glide down a flight of stairs with no bouncing.

WHEELS
The EVACU B can travel down the hall using its wheels.

Once safely outside, all six babies can be left inside the EVACU B.
CONTINUING NURSING EDUCATION (CNE)

AWHONN CONTACT HOURS
Earn up to 34.25 of CNE while attending the 2019 pre-Convention and Convention educational activities. This number includes CNE offered for poster review and attendance at optional, ticketed events. To obtain contact hours for a session, you must attend the entire session and complete an online evaluation.

AMERICAN COLLEGE OF NURSE MIDWIVES (ACNM) CONTACT HOURS
ACNM specialty credit has been applied for.

PHARMACOLOGY CONTENT
AWHONN broadly defines pharmacology content as reference to the origin, nature, effects and uses of drugs. Sessions containing pharmacology content are designated with Rx.

ACCREDITATION STATEMENT
The Association of Women's Health, Obstetric and Neonatal Nurses is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accredited status does not imply endorsement by AWHONN or the American Nurses Credentialing Center of any commercial products displayed or discussed in conjunction with an educational activity.

AWHONN is approved by the California Board of Registered Nursing, Provider #CEP580.

CNE CERTIFICATE OF ATTENDANCE AND TRANSCRIPT
You must attend the session in its entirety and complete an online evaluation. Your feedback is required by our accrediting body. You can complete session evaluations immediately after attending the session.

Use the convention App or the web version at https://awhonn.confex.com/awhonn/2019/meetingapp.cgi
To complete session evaluations click Evaluate directly on the session listing
At the conclusion of the meeting you will be able to complete the Overall Meeting Evaluation.
Once the Overall Meeting Evaluation has been submitted, click the Review Claimed CNE Contact Hours link to view, print, or email your certificate.
All Evaluations must be completed by August 31, 2019 in order for CNE to be awarded.
### INP Codes Qualifying Sessions

**2 - Labor & Delivery**
- A5, B4, C4, E4, F6, G6, H3, I5, PC2, QIP1, R2

**3 - Pregnancy & Obstetric Complications**
- B5, C5, D4, E5, I3, IP5

**4 - Postpartum**
- PC5

**5 - Newborn**
- B2, C2, F2, G2, IP12, PC8

**6 - Professional Practice**
- A1, A4, B1, B3, C1, C3, D1, D3, D6, E1, Facebook Live, F1, G1, G5, G8, G2, GS3, G4, H1, H4, I5, I6, IP1, IP2, IP7, IP8, IP9, IP10, IP11, NE1, NE2, NE3, NE4, PC3, PC9, QIP2, R1, R3, R4, S1, S3, S5

### LRN Codes Qualifying Sessions

**2 - Physical Assessment, Thermoregulation and Normal Management**
- A2, E3, F5, G5, I4, IP12, PC6, PC8

**3 - Neonatal Complications**
- F2, G2

**5 - Professional Practice**
- A1, B1, B3, C1, C3, D1, D2, E2, F1, G1, H1, H4, G5, GS2, GS5, GS3, GS4, I6, IP3, IP4, IP7, IP11, NE1, NE2, NE3, NE4, QIP2, R1, R3, R4, S1, S3, S5

### MNN Codes Qualifying Sessions

**2 - Postpartum Assessment & Management**
- B4, B5, C4, C5, E3, E5, F5, G5, I4, I5, IP12, PC5, R2

**3 - Newborn Assessment & Management**
- A2, F2, G2, PC6

**4 - Professional Practice**
- A1, A4, B1, B3, C1, C3, D1, D3, D6, E1, Facebook Live, F1, G1, G5, GS2, GS5, G2, GS3, GS4, I6, IP3, IP4, IP7, IP11, NE1, NE2, NE3, NE4, PC9, QIP2, R1, R3, R4, S1, S3, S5

### NIC Codes Qualifying Sessions

**1 - General Assessment**
- A2, B2, C2, E3, F5, G5, I4, IP12, PC6

**2 - Physiology and Pathophysiology**
- F2, G2

**4 - Professional Practice**
- A1, B1, B3, C1, C3, D1, D2, F1, G1, GS1, GS2, GS3, GS4, H1, H4, E2, I6, IP3, IP4, IP7, IP11, NE1, NE2, NE4, QIP2, R1, R3, S1, S3, S5

### NNP Codes Qualifying Sessions

**2 - Physiology & Pathophysiology**
- F2, G2

**3 - General Management**
- A1, B2, C1, C3, D1, D2, E2, F1, G1, G5, GS1, GS2, GS3, GS4, H1, H4, I6, IP3, IP4, IP7, IP11, NE1, NE2, NE4, QIP2, R1, R3, S1, S3, S5

**5 - Professional Practice**
- A1, B1, B3, C1, C3, D1, D2, E2, F1, G1, GS1, GS2, GS3, GS4, H1, H4, I6, IP3, IP4, IP7, IP11, NE1, NE2, NE4, QIP2, R1, R3, S1, S3, S5

### WHNP - BC Codes Qualifying Sessions

**1 - Normal Physiology & Management**
- E3

**2A – Pathophysiology Gynecology**
- H3

**2B – Pathophysiology Obstetrics**
- B5, B6, C5, C6, D4, E5, F5, G5, I4, IP5, PC5, R2

**2C – Pathophysiology Primary Care**
- PC7

**4 - Pharmacology**
- PC1

**5 - Professional Practice**
- A1, A3, A4, B1, B3, C1, C3, D1, D3, D6, E1, Facebook Live, F1, G1, GS1, GS2, GS3, GS4, H1, H4, H5, I1, I6, IP1, IP2, IP6, IP7, IP9, IP11, NE1, NE3, NE4, PC3, PC9, R1, R3, R4, S1, S3, S5

---

**New certifications being developed by NCC**

- **Almost done – ready Summer 2019**
  - Care of the Extremely Low Birth Weight Neonate (C-ELBW)
  - Neonatal Neuro-Intensive Care (C-CNNIC)

- **In the works – planned for 2020**
  - Antepartum Nursing
  - Obstetric and Neonatal Quality and Safety (C-ONQS)

Visit NCCemail.net/exams to learn more and to request a notification when a new exam is available!
SECTION & CHAPTER EVENTS

SUNDAY, JUNE 9

Armed Forces Section Conference
7:30 am – 12:30 pm | Omni Hotel – North Tower Dogwood

New York Reception
7:30 pm – 9:30 pm | Omni Hotel – North Tower Dogwood

MONDAY, JUNE 10

Texas Breakfast
7:30 am – 8:15 am | Georgia World Congress Center – A402

District 9 (DE, MD, VA & WV) Happy Hour
6:30 pm – 7:30 pm | Omni Hotel – North Tower Cottonwood

TUESDAY, JUNE 11

North Carolina Pajama Party
7:30 pm – 9:30 pm | Omni Hotel – North Tower Dogwood A

PARTNER & INDUSTRY SYMPOSIA

MONDAY, JUNE 10

Every Change Matters: A Nurse’s Guide to the Implications of Diapering Care
Kimberly Clark

TUESDAY, JUNE 11

A Rumble in the Jungle: The Unique Role of Prebiotics and Probiotics in the Development of the Microbiome
Abbott Nutrition
12 pm – 2 pm | Georgia World Congress Center – A103
Celebrating 50 YEARS of AWHONN!

Join us in the Grand Ballroom at the Omni Hotel as we celebrate nursing through the years at the Glitz and Glamour President’s Party, June 10, 8:00 pm - 10:30 pm. There will be something for everyone, with three rooms of entertainment, featuring live music, a fantastic DJ, and Casino night. You won’t want to miss it!

#AWHONN2019

awhonnconvention.org/atlanta
Confident care for your most precious patients

Our products that are developed with safety and ease-of-use at the forefront of design, you can feel confident you’re giving your patients the best care possible.

**Nära Bassinet:** A simple, safe design that brings mothers close to their newborns during the time when closeness matters most.

**LD304®:** Our LD304 birthing bed provides comfort and security for both mom and caregiver. Simple operation, mobility, and an ergonomic design provide safety while positioning to mom’s comfort.

**Spirit Select® Postpartum Bed:** In conjunction with effective protocols, the Spirit Select Postpartum Bed can enhance the care and safety of mothers and babies throughout their hospital stay.
# AWHONN Past Presidents

Celebrating 50 years and honoring the leaders who shaped AWHONN into the organization it is today.

## Research Connections Reception

**Monday, June 10 | 5:45 pm - 6:45 pm | Omni Hotel, North Tower, Dogwood A**

The Research Connections Reception is a great networking opportunity for nurse researchers and budding nurse scientists to learn about AWHONN’s research activities. Please join us to:

- Meet members of the Research Advisory Panel, the Excellence in Research awardee, and headquarters staff
- Hear the latest on AWHONN’s recently updated Research Priorities
- Collaborate with fellow nurse scientists on topics of mutual interest
- Learn about how to serve as a member of the Research Advisory Panel in 2020
The Pre-Convention workshops are concurrent sessions held on Saturday and Sunday before the official opening of the Convention. There is an additional fee for these sessions, which includes a continental breakfast at morning workshops and beverages and snacks at the afternoon workshops.

**SATURDAY, JUNE 8**

7 am – 4:30 pm
(Registration is limited; additional fee required)
**Introduction to Ultrasound Course (Omni Hotel - North Tower Cottonwood)**
Kim Armour, PhD, NP-BC, APN, RDMS, NEA-BC

8 am – 12 pm
(3.75 contact hours, registration is limited; additional fee required)
**PC1 - Update on Pharmacology for Women Rx (A313)**
Heidi Collins Fantasia, PhD, RN, WHNP-BC
Mary C. Brucker, PhD, CNM, FAAN, FACNM

**PC2 - Pain and Suffering in Labor and Birth: Pharmacologic and Non-Pharmacologic Approaches Rx (A314)**
Michelle R. Collins, PhD, CNM, FACNM, FAAN

**PC3 - Doctors and Nurses and Lawyers, Oh My! Legal Issues in Intrapartum Fetal Monitoring (A315-A316)**
Lisa A. Miller, CNM, JD

1 pm – 5 pm
(3.75 contact hours, registration is limited; additional fee required)

**PC4 - Understanding Sexual Health & STIs Throughout a Woman’s Lifespan (A313)**
Laura Thomas, RN, WHNP-BC

**PC5 - The Next Frontier in Reducing Maternal Death and Disability: Post-Delivery/Post-Partum Emergencies (A314)**
Carol J. Harvey, MS, BSN, RNC-OB, C-EFM, CS

**PC6 - Helping Mothers Reach their Personal Breastfeeding Goals (A315-A316)**
Diane L. Spatz, PhD, RN-BC, FAAN

**SUNDAY, JUNE 9**

8 am – 12 pm
(3.75 contact hours, registration is limited; additional fee required)

**PC7 - Common Psychiatric Issues throughout Women’s Lifespan (A313)**
Kathryn Johnson, MSN, RN, PMHCNS-BC, PMHNP-BC
Sattaria Dilks, DNP, APRN, FAANP

**PC8 - A Journey through Bereavement: Developing a Perinatal Palliative Care Program (A314)**
Cathy Jones, MSN, RN-BC, RNC-OB, C-EFM
Brittney Bottoms
David Bottoms, RHU, RBEC

**PC9 - Mila’s Birth and Sarah’s Survival: The Enduring Impact (A315-A316)**
Barbara O’Brien, MS, RN
Sarah Johnson

All education sessions are located in the Georgia World Congress Center, unless otherwise noted.
CONVENTION SCHEDULE

SUNDAY, JUNE 9

1 pm – 3 pm | Thomas Murphy Ballroom
(1 contact hour)
OPENING CEREMONY, PRESIDENT’S ADDRESS, AWARDS AND GENERAL SESSION OPENING KEYNOTE: REACH FOR THE STARS
Nurses are exceptionally qualified to lead healthcare organizations. By building high performing teams, using, disruptive innovation and thinking without the box, nurses can help solve today’s healthcare challenges. Lt. Gen. Dorothy A. Hogg is the Surgeon General, Headquarters U.S. Air Force, Arlington, Va. General Hogg serves as functional manager of the U.S. Air Force Medical Service. General Hogg has authority to commit resources worldwide for the Air Force Medical Service, to make decisions affecting the delivery of medical services, and to develop plans, programs and procedures to support worldwide medical service missions.

3:30 pm – 4:45 pm
(1.25 contact hours)
NE1 - Human Trafficking (A412)
Laura Lederer, JD

NE2 - Postpartum Care in the NICU, “You Want Us to Do What??” (A302)
LeeAnn Paeplow, MSN, RN-BC, CPN, CCRN
Laura Meyer, BSN, RN

NE3 - The Maternal Mortality Review Committees Meeting Experience: Review of a Preeclampsia Death (Sydney Marcus Auditorium)
David Goodman, MS, PhD, and a panel of experts

NE4 - Supporting Nurses Involved in Errors and Adverse Events: Addressing the “Second Victim” (A411)
Audrey Lyndon, PhD, RNC, FAAN

MONDAY, JUNE 10

7:45 am – 8:30 am | Thomas Murphy Ballroom
Meet the Board of Directors Slate

8:30 am – 9:45 am | Thomas Murphy Ballroom
(1 contact hour)
GENERAL SESSION
MOMENTS THAT IMPACT OUR LIVES
Carol Decker is the author of Unshattered: Overcoming Tragedy and Choosing a Beautiful Life. In 2008, while pregnant with her second child, she went into sepsis brought on by a bout of strep pneumoniae. She fought for her life and survived, but lost her eyesight, both feet, left hand, and right ring finger. Her inspiring story is a true testament that anyone can adapt to their situation and live a great life.

10:15 am – 11:45 am
(1.5 contact hours)
A1 - Joint Commission Survey Preparation in the Perinatal Area Rx (A412)
Robert P. Durkee, RN, MHA, FACHE
Diana Scott, MHA, RN, CPHQ

A2 - Human Milk & Breastfeeding Considerations for Surgical Infants (A302)
Diane L. Spatz, PhD, RN-BC, FAAN
Beth Froh, PhD, RN

A3 - Engaging Nurses as Experts to Advocate for Evidence-Informed Facility Standards for Abortion Care (A315)
Monica McLemore, RN, MPH, PhD
Sarah Roberts, DrPh
Suzanne Wertman, CNM, MSN

A4 - Case Studies in Maternal Mortality and Severe Morbidity: Identifying Opportunities for Improvement Rx (Sydney Marcus Auditorium)
Nan Troiano, MSN, RNC-OB, NE-BC, C-EFM
Patricia Witcher, MSN, RNC-OB
Suzanne McMurtry Baird, DNP, RN

A5 - Physiologic Logic: Fetal Acid-Base, Uterine Acid-Base, and Safer Labor Practices Rx (A411)
Lisa A. Miller, CNM, JD
IT COULD BE
POSTPARTUM DEPRESSION (PPD)

PPD is the most common complication of childbirth.

Without proper screening, approximately 50% of PPD cases may go undiagnosed.

Get a validated screening tool at KnowPPD.com/epds

The American College of Obstetricians and Gynecologists (ACOG) recommends screening patients at least once during the perinatal period using a standardized, validated tool.

Some examples of these tools include the Edinburgh Postnatal Depression Scale (EPDS) and the Patient Health Questionnaire-9 (PHQ-9).

It only takes ~5 minutes to know your patient’s score.

CALL FOR PRESENTATIONS
Contribute to AWHONN’s mission to improve the health of women and newborns by submitting an abstract for oral or poster presentation at the Annual Convention in Phoenix, June 13-17, 2020.

The education program seeks timely, relevant and educationally sound topics that feature evidence based information, best practices and nursing research intended to engage our attendees and help AWHONN nurses thrive in today’s ever changing health care environment.

For information on criteria, further instructions, and access to AWHONN’s submission site go to awhonn.org/2020abstracts.

If you have questions please contact Carolyn Vanderwyst at cvanderwyst@awhonn.org.
THANK YOU TO OUR SPONSORS
#teamMHSflorida is an award-winning group of friends and colleagues with careers at one of the largest public health systems in the nation. We have six acute hospitals, including a freestanding children’s hospital, all centrally located in South Broward County, between beautiful Fort Lauderdale and Miami. We’re 13,000 strong, living a vision of wellness for all. We’re learning and growing, caring and sharing, working hard and enjoying life in a community we love.

It’s an exciting time for Experienced Nurses to join Memorial Healthcare System, as we strive to create a national destination for the practice of the nursing profession. Our Maternal Services provides a seamless patient experience in a mother and baby-centric environment unlike any other. Working with us can elevate your skills to the next level of nursing practice, with tremendous exposure to new situations. We train at a very high level. This is why nurses come here and stay here.

We are seeking experienced L&D Nurses with at least one year of experience, Florida RN license (or eligible); BLS, ACLS, NRP and Fetal Monitoring certifications.

With innovation and collaboration as our hallmarks, we are able to offer our RNs the chance to learn, grow and perform to the highest level possible. We’ll encourage your career advancement, support your goals for continuing education, and help you apply your unique skills and knowledge to the job.

Join #teamMHSflorida
Visit us at the AWHONN Convention Booth #336
careers.MHS.net

Memorial Healthcare System is proud to be an equal opportunity employer committed to workplace diversity.

*Must have 1 year related experience to qualify for Sign-On Bonus.
We thank all our AWHONN Industry Members for their continued support.

**SESSION SCHEDULE**
The AWHONN Annual Convention Tradeshow allows industry partners to showcase the products, services and solutions of interest to attendees and the nursing communities AWHONN serves. Each year, the tradeshow remains an energetic highlight of the Convention. You’ll find a host of fresh ideas, creative products and new resources from companies and businesses that support our profession.

3B SCIENTIFIC
3B Scientific is the worldwide leader in medical and healthcare education. With a presence in more than 100 countries, our strong global reputation is a result of our commitment to delivering the best quality, value and service to our customers. We are dedicated to continually advancing our range of innovative tools and training solutions. 3B stands for today: Best quality, Best value, Best service!

ABBOTT NUTRITION
For 90 years, parents have relied on Abbott to support their infant’s growth and development. Abbott is a leader in science-based nutrition offering feeding options for term and preterm infants. Abbott is committed to giving babies the strongest possible start. Please visit the Abbott booth to see the latest innovations.

ACCUVEIN
AccuVein helps locate veins for venous access procedures by providing a map of the patient’s vasculature on the skin’s surface. Simply point the device at the skin and click to display the peripheral veins beneath. The system can be particularly helpful on patients that tend to be “difficult sticks” such as infants and children.

ALTROCARE INC.
AltroCare™ offers innovative solutions in continence and maternity care. We develop and manufacture high quality health, wellness and medical supplies for women and infants. All of our products are clinically designed to provide comfort, security, and peace of mind for the clinician and the patient. We employ the highest quality standards in the design and manufacturing of our products, so that the focus can remain on the mom and her infant before and after delivery.

AMAG PHARMACEUTICALS
AMAG is a pharmaceutical company focused on bringing innovative products to patients with unmet medical needs. Headquartered in Waltham, Massachusetts, AMAG develops and delivers innovative medicines for complex yet under-treated health conditions across a range of therapeutic areas including anemia, pregnancy complications, women’s sexual function and menopause-related issues.

AMERICAN MOBILE HEALTHCARE
Whether you’re a travel or per diem nurse, we have the perfect job for you! As affiliates of AMN Healthcare, American Mobile, Onward Healthcare, NursesRx, NurseChoice and Nursefinders offer nursing opportunities at top facilities across the nation.

ADVANCED LIFE SUPPORT IN OBSTETRICS (ALSO)
Advanced Life Support in Obstetrics (ALSO) is a multidisciplinary and interprofessional course that teaches maternity care clinicians to better manage obstetric emergencies through a standardized, evidence-based approach. This comprehensive course encourages team-based learning for physicians, residents, nurse midwives, and registered nurses—resulting in improved patient safety and maternal outcomes. ALSO contains AIM supported educational content. Visit our booth for giveaways and more info.

ADVENTHEALTH
Adventist Health System provides career opportunities in 9 states, with locations from bustling cities to small rural towns. We offer market-driven wages, benefits and career development. Most importantly, we provide all of our employees with opportunities to grow spiritually as they further the mission of Extending the Healing Ministry of Christ.

ADVENTIST HEALTH
Adventist Health is a faith-based, nonprofit integrated health system serving more than 80 communities on the West Coast and in Hawaii. Founded on Seventh-day Adventist heritage and values, Adventist Health provides care in hospitals, clinics, home care agencies, hospice agencies and joint-venture retirement centers in both rural and urban communities.

ALASKA NATIVE TRIBAL HEALTH CONSORTIUM
The Alaska Native Medical Center (ANMC) is located in scenic Anchorage, Alaska. ANMC is a Level II Trauma Center and Alaska’s only Magnet-recognized (“3-peat”), acute care hospital with 167 beds, providing healthcare services to the Alaska Native and American Indian population. ANMC enjoys a wonderful culture and professional team environment. Explore your career opportunities at our not-for-profit facility by applying online at www.anthc.org/careers. COME LIVE & WORK the Alaska Adventure !!!

Bridget’s Cradles is a 501(c)3 nonprofit organization supporting over 600 hospitals in all 50 states. We donate handmade knitted/crocheted cradles to hospitals for babies stillborn in the second trimester. Our cradles are uniquely designed for families to hold and bond with their babies and help with memorial photography if desired. The cradles can be kept as a keepsake or used for burial. We also provide hospitals with keepsakes for families who experience loss in the first or third trimester.

Calmoseptine Ointment is a multi-purpose moisture barrier that protects and helps heal skin irritations. Calmoseptine temporarily relieves discomfort and itching. Free samples at our booth.

CertiScan offers an Infant Safety System that digitally captures newborn footprints – no messy inks or faded inkless images. Provides hospitals and parents with precise biometric identification that is critical in abductions, when bracelets fall off, natural disasters and emergencies. System also complies with NCMEC’s latest infant security guidelines. Moms get attractive certificate and can enhance it online. No upfront costs.

Cathartic Care is one of the largest nonprofit health care organizations in the United States, and is focused on delivering services to residents primarily in the greater St. Louis, southern Illinois and mid-Missouri regions. Cathartic Care serves the health care needs of urban, suburban and rural communities and includes 15 hospitals and multiple community health locations.

An immediate category leader after introducing our classic wrap in 2003, the MOBY name (MOther & bABY) is synonymous with baby-wearing. Globally recognized, we are trusted experts-and we focus on creating products that encourage bonding over special moments, shared discoveries, and in the day-to-day of being Close Enough to Kiss™. We innovate to meet the varying needs of today’s parents and babies, with designs developed to adapt with baby-offering comfort, safety, and effortless style.

Caring Wisdom®/CLAYLINKS® KITS from Caring Wisdom® were created for busy clinical & bereavement care professionals like you! Our special formula clay & customized print-making tools enable you to quickly & easily set up a memory-making experience for the families you serve. ClayLinks®/Clay consistently produces detailed, high-quality keepsake handprints preserving precious memories of loved ones & creating a tangible, loving “link” forever connecting them to the love one they’ve lost.

CASE WESTERN RESERVE UNIV. - FPB SCHOOL OF NURSING is globally recognized for its leadership in nursing, education, and research. Ranked among the best nursing schools, FPB produces dynamic health care thinkers through its innovative undergraduate and graduate programs. Its NIH-funded research, along with a focus on nursing leadership and management, makes FPB the world’s nurse leadership destination.

Cedars-Sinai is transforming healthcare for the benefit of patients. With the longest-running Magnet designation for nursing in California and The Advisory Board Company’s 2018 Workplace of the Year, Cedars-Sinai impacts the future of healthcare globally by developing new approaches to treatment and educating tomorrow’s physicians and other health professionals.

CenTrak improves healthcare operational efficiency and the quality of patient care via the industry’s most robust and scalable Enterprise Locating and Sensing Services™ offering. Ranked #1 as the 2019 KLAS Category Leader for Real-Time Location Systems (RTLS), CenTrak helps healthcare facilities increase productivity, streamline workflows, drive higher patient and staff satisfaction and reduce costs. CenTrak’s technology supports sub-room level accuracy across the entire healthcare enterprise.

CertoScan offers an Infant Safety System that digitally captures newborn footprints — no messy inks or faded inkless images. Provides hospitals and parents with precise biometric identification that is critical in abductions, when bracelets fall off, natural disasters and emergencies. System also provides security photos. Image files can be placed into EMRs. Compliant with NCMEC’s latest infant security guidelines. Moms get attractive certificate and can enhance it online. No upfront costs.

Cariant Health Partners is a travel staffing company founded in 2001 by Joel Larmore, PT and his wife Sharon, a nurse. We place registered nurses, LPNs, SPTs, CNAs and OR Techs in 13-week travel assignments nationwide. We work hard to make sure our traveling nurses are supported, informed and happy. The recruiter who helps to find you a position stays with you for as long as you work for Cariant.

Cedar Sinai is one of the largest nonprofit health care organizations in the United States, and is focused on delivering services to residents primarily in the greater St. Louis, southern Illinois and mid-Missouri regions. Cedar Sinai serves the health care needs of urban, suburban and rural communities and includes 15 hospitals and multiple community health locations.

ENVISION PHYSICIAN SERVICES
Envision Physician Services is a multispecialty physician group and healthcare management team providing anesthesia, emergency medicine, hospital medicine, radiology, surgical services, and women’s and children’s health services. We serve more than 780 healthcare facilities in 48 states and employ or contract with more than 25,000 physicians and other healthcare professionals.

EVACU B
Evacu B permits one nurse to safely evacuating six babies down the hall and gliding down the stairs. Pockets are made of a fire retardant and mildew resistant material. Babies heads are secured in adjustable high density Hypo allergenic headrests. By releasing the reversible brake handle the EVACU B will automatically stop on the stairs. Once outside the babies can stay in the EVACU B. At all times the nurse has eye contact with babies. EVACU B now comes with an O2 cradle for an E cylinder.

EXERGEN CORPORATION
Our professional model (TAT-5000) can be used for both Mother and baby. We now have NICU departments utilizing Exergen Thermometers for Preterm Neonates. A new study in the Journal of Obstetrics, Gynecological, Neonatal Nursing shows that Exergen temporal artery temperature measurements are as accurate as axillary measurements in low-birth weight neonates in the NICU. The study further showed nurses spent less time measuring and that the infants benefited from a decrease in noxious stimuli.

FERRING PHARMACEUTICALS INC.
Ferring Pharmaceuticals Inc. is a research driven biopharmaceutical company devoted to identifying, developing and marketing innovative products in the fields of obstetrics, reproductive health, osteoarthritis, gastroenterology and urology. To view all of our US offerings, please visit www.ferringusa.com.

FLORAJEN PROBIOTICS A CLARION BRANDS COMPANY
Florajen® Probiotics were founded by bacteriologists over 25 years ago with the intent of creating effective, affordable options to help people avoid the unpleasant side effects of antibiotics. Florajen is known for having the right strains at the right cell count and maintaining a Cold Chain Commitment™, keeping our probiotics refrigerated, fresh and potent from manufacture to delivery.

FRIDABABY
Fridababy is home to a variety of early-childhood and maternity products, providing natural, non-invasive yet effective and efficient solutions for everyday baby problems (think stuffy noses, gas/colic, medicine etc.). Endorsed by over thousands of pediatricians, nurse practitioners, midwives, doulas, and retail partners throughout the globe, our products bring quick relief to babies, children and parents worldwide.

FRONTIER NURSING UNIVERSITY
Frontier Nursing University offers community-based, distance education programs leading to the Doctor of Nursing Practice degree, the Master of Science in Nursing Degree and/or post-master’s certificates in advanced practice nursing specialties. Our mission is to educate nurses to become nurse-midwives and nurse practitioners who are leaders in the primary care of women and families with an emphasis on underserved and rural populations.
Happi Tummi is a 100% Natural Herbal Waistband that calms and soothes fussy babies almost instantly. Combination of Organic aromatic herbs and warmth together with the soft plush waistband helps calm mom too. Our Mission is to help moms soothe their baby naturally as quickly as possible with no drugs or drops. Come visit us at booth #308 and see the New Cute Animal Characters and ask about the Free Sample of Happi Tummi to test on one of your fussiest baby clients. And get the Clinical Facts.
HCA HEALTHCARE

HCA Healthcare is a collaborative healthcare network, driven by physicians, nurses and colleagues helping each other champion the practice of medicine to give people a healthier tomorrow. With a comprehensive network of more than 270,000 people across approximately 1,800 care facilities, our scale enables us to deliver great outcomes for our patients, provide superior nursing care and be a preferred place for physicians to practice medicine.

HEALTHY BIRTH DAY

Count the Kicks is a stillbirth prevention program that offers a full menu of tools for medical providers to educate their patients. In the US, approximately 24,000 babies are stillborn each year. Count the Kicks aims to reduce the number of preventable stillbirths by teaching expectant parents the importance of—and method for—self-monitoring and tracking baby’s daily movements during the 3rd trimester. It’s a simple, noninvasive, no-cost practice with the potential to save babies’ lives!

HILL-ROM

Hill-Rom provides sales, rental, service and support to the patient room environment. From beds and furniture, to communications, Hill-Rom offers innovative solutions to healthcare challenges worldwide.

HLOGIC, INC.

Sage Therapeutics is committed to discovering and developing life-altering therapies to treat central nervous system (CNS) disorders, and we are dedicated in our pursuit to deliver new medicines with the goal of making life better for patients and their families.

**Secure Care Products, Inc.**

For nearly 40 years, Secure Care Products, LLC, has been a leader in the design and manufacture of infant security systems, mother-baby matching and wandering patient solutions. Our systems help healthcare facilities minimize risks for patients, visitors and staff through security monitoring to augment safety procedures. We also offer fully-integrated RTLS solutions and mobile alerting via Secure Care's Enterprise Visibility platform. Our products are proudly manufactured in the USA.

**Sequence Health**

As part of Johns Hopkins Medicine, The Johns Hopkins Hospital and Sibley Memorial Hospital are widely respected as a premier institutions. The Johns Hopkins Hospital is an 1100 bed teaching hospital located in the heart of east Baltimore, MD. Sibley Memorial is a 318-bed non-profit community hospital located in a lovely residential neighborhood of Northwest Washington, DC. Join our team of seasoned professionals whose talent drives innovation and whose care and commitment make a difference.

**RF Technologies**

RF Technologies is a leading provider of customized safety and security solutions for healthcare. Safe Place® Infant Security is the industry’s first RFID infant security system. Smart Sense® technology features the softest banding on the market with multiple measures of tamper detection. Baby Check™ verifies Baby’s identity before entering Mom’s room. Safe Place Peds offers a locking transmitter. Clinical education helps to train staff and launch your system. Reach technical support 24/7/365.

**Return to Zero: Hope**

Return to Zero: HOPE is a non-profit organization engaging a global community of bereaved parents and their health providers to improve mental health outcomes and transform the culture of isolation and silence around pregnancy and infant loss. Our vision is that every family experiencing perinatal loss will have access to resources, social support, and informed professional care to empower them to live a meaningful and hopeful life.

**Roftek Ltd T/A FlexMort**

Flexmort’s CuddleCot has been internationally recognised across the world as significantly helping parents who suffer the loss of a baby. Dealing with the death of a baby is clearly an incredibly difficult event for parents and bereaved parents should be given the option of spending Time with their baby. Time allows the family to form an important bond with their baby.

**Rtg Medical**

RTG Medical is a veteran owned medical staffing agency focused on contracting travel and permanent healthcare professionals. In the medical staffing industry since 2000, we currently recruit and place professionals in Nursing, Radiology, Therapy, Pharmacy and Laboratory in all 50 states. We assist medical facilities in meeting their staffing needs with qualified, competent individuals at a fair market cost.

**Safe Obstetric Systems**

Safe Obstetric Systems is the source for science on abortion and contraception. We are an inclusive, multidisciplinary, skilled, and well-connected community who share a vision for just and equitable abortion and contraception informed by science. Our programming advances the delivery of care based on the best available evidence.

**Society of Family Planning**

The Society of Family Planning is the source for science on abortion and contraception. We offer monthly workshops at our training centers and custom courses at your facility. Upon registration you will receive online access to 12 AMA Cat 1 CME credits including scanning videos, lecture and case studies. This prepares you for the hands on scanning session. We cover 1st- 3rd trimester including growth, placenta, cervical length, BPP, fluid assessment, position, transvaginal and IUD placement.

**SonoSession**

SonoSession provides hands on ObGyn ultrasound training to women's health practitioners. We offer monthly workshops at our training centers and custom courses at your facility.
